ELENA *About Me* VIZZOCA

PHOTOGRAPHY

I am a freelance photographer for more than 9 years and I have followed several national and international events, collaborating with different agencies and with some online newspapers.

BLOG

From about 1 year, I have expanded my photographic website by turning it into a blog.

To help me in this project, my partner Davide Di Lalla, also a photographer with a passion for travel, joins me.

Our goal is to tell our experiences and share some useful advice on travel and photography.
